EXHIBITORS PLEASE TAKE NOTE

Albion Park Show Society will accept Cattle tested and untested for Johnes Disease following guidelines set by the R.A.S for the NJDMAP programme.

R.A.S. Guidelines

To permit cattle from Tested Negative and Monitored Negative herds to attend the 2019 Albion Park Show, without prejudicing the herd status.

1a NJDMAP Assessed Herds to have certificate of herd TN or MN status from accredited veterinarian.

1b Non-assessed herds to have certificate of freedom from JD for past five years as in previous years.

2 A separate building to house assessed cattle, or, if that is not possible, a section of a building which is divided by a wall to separate the assessed cattle.

3 No common watering points and separate watering systems for assessed and non-assessed cattle mandatory.

4 Animals to be fed individually and not off the ground.

5 All cattle, including calves, to be tethered when not being led.

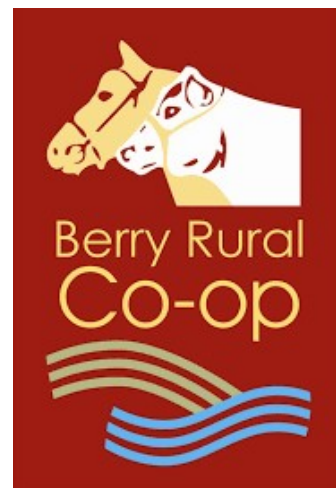

6 Prompt removal of faecal material to a place where animals do not have access to it.

7 Separate isolation facility for assessed cattle should this be necessary for calving or other reasons.

8 A separate tie-up area and a separate wash for assessed cattle.

9 EBL declaration to be submitted.
